

November 10, 2016

Dear PKID property owner,

At the annual informational meeting for **(PKID) – Val Vista Park 07-01**, a request was made by the residents in attendance to revisit the process for approving projects and make possible changes.

Please attend special follow up meeting on:

Date: November 28, 2016

Time: 6:00 pm

Place: Public Works Assembly Room, 900 E. Juniper Avenue. The entrance to the building is located on the east end of the building.

Currently, this is the established process:

How do changes get made in my PKID? At the annual neighborhood meeting, now held in October/November, Gilbert staff recommends improvements per the neighborhood master plan and current conditions. Improvements to rights-of-way, retention basins, common landscaped areas, facilities, equipment, lighting and/or parks may be some of the projects considered. Residents who are present at the meeting provide feedback on the proposed projects or recommend alternative improvements. A ballot is mailed to all property owners to vote on the proposed improvements.

Timeline:

- Annual PKID neighborhood meetings held in October/November
- Ballots mailed in January
- Voting occurs through January 30, 2017
- Open house Saturday January 28, 8:30 am - 10:30 am for final questions
- PKID property owners notified by email of project/improvements that were selected; information also posted on the Town's website

Please contact me if you have any questions. Please check out the Town's web page <http://gilbertaz.gov/pkid> for PKID updates!

Respectfully,

Rocky Brown
