FAQ's:

Who is in charge of the maintenance of my PKID? The Town hires and oversees the contractors responsible for berm maintenance, weeding, mowing, spraying, fertilizing, trimming, pruning, seeding, replanting, cleaning, raking, safety and replacing dead trees and plants.

How do changes get made in my PKID? At the annual neighborhood meeting, now held in October/November, Gilbert staff recommends improvements per the neighborhood master plan and current conditions. Improvements to rights-of-way, retention basins, common landscaped areas, facilities, equipment, lighting and/or parks may be some of the projects considered. Residents who are present at the meeting provide feedback on the proposed projects or recommend alternative improvements. A ballot is mailed to all property owners to vote on the proposed improvements.

How are the improvements paid for in my PKID? Improvement costs are included in the next fiscal year's budget which begins July 1st. The annual budget is developed and then goes before the Council for approval. Following a public hearing at a council meeting, PKID costs appear as part of a special taxing district on each owner's property tax bill, and Maricopa County collects the taxes for Gilbert. Tax amounts differ from neighborhood to neighborhood depending on the number of homes and the improvements selected. Each lot within a PKID is assessed the same amount.

Does my PKID have any CC&R's? While neighborhoods that are PKIDs may have covenants, codes & restrictions (CC&Rs), most do not have homeowners associations (HOAs) that are organized to enforce them. As with all land CC&Rs, PKID CC&Rs may be enforced by private individuals civilly. Unlike HOAs, PKID neighborhoods do not own common property and do not hire property management companies to maintain their neighborhoods.

What laws established my PKID? [Arizona Revised Statutes \(A.R.S.\) Section 48-574 \(D\)](#) requires Gilbert to levy taxes on all property in PKIDs to pay for the annual expenses. Taxes are adopted following notice and a hearing. [A.R.S. 48-574 \(E\)](#) Maricopa County is the assessing and collecting authority for the Town. PKID district costs are added to PKID resident property tax bills on a per lot basis.

Where do I get more information on my PKID? Updates on your PKID are also available on Gilbert's website at <http://gilbertaz.gov/pkid>. Information included on the PKID website include: a listing of the engineer estimates for improvements, the approved landscape master plans, a five year history of expenditures, and minutes of prior years' meetings.
