The following information and documents must be submitted with Permit Application:

- Copy of Federal Explosive License/Permit
- Copy of current Phoenix Shooter Card (responsible on-site shooter)
- Liability insurance of \$5 million for shoots on private property. (\$10 million if on public property or a Town sponsored event. Town of Gilbert must be named as additionally insured)
- Pre-shoot and post shoot action plan with emergency contact information
- Inventory of shells and script of events
- Shoot site map showing tube layout, firing locations, distance requirements and extinguisher placement
- Copy of the NoTAM and which airports it was sent to
- Copy of notification letter to surrounding neighborhoods of event.

All Fireworks Displays for a public or private gathering shall be in compliance with all Town regulations and the 2010 edition of NFPA 1123 as adopted. All permits and associated documents must be submitted a minimum of 5 calendar days prior to the shoot. A site inspection will be conducted the day of the shoot. At the discretion of Gilbert Fire the shoot may be cancelled due to unsafe conditions. Please review the attached information, should you have any questions call 480-503-6350.
