

Document F: WASTE MANAGEMENT PLAN

The Town of Gilbert is committed to protecting both natural resources and the physical beauty of the Gilbert community. Special Events are an important part of the local economy and are enjoyed by countless patrons, however, the Town of Gilbert does recognize that they have the potential to generate large amounts of waste.

Note: No glass is permitted on site

To help cut down or eliminate the quantity of waste produced at the event, Gilbert staff would like you to consider the following goals:

- Completely eliminate the use of Styrofoam and straws during events
- Reduce the amount of waste sent to the landfill
- Educate event participants and vendors about alternative materials and “recycle, reduce, reuse” practices
- Provide resources to assist in waste management at special events

Waste and recycle containers are available at all Gilbert parks. Recycling is encouraged at all events, and Event Promoter may be required to provide additional trash and recycling containers for larger events held in Gilbert as a condition of their Special Event permit.

- Events with an expected attendance of 200+ should plan to provide additional trash and recycle containers. Please consult with the Town of Gilbert Special Event Coordinator to determine the best fit for your event.
- Drop-off/pick-up of dumpster and location must be approved by the Town. Dumpsters must be removed following the conclusion of the event.

Failure to follow proper clean up procedures when using public property may result in forfeiture of deposit and a rejection of future event permit applications to the Town of Gilbert.

Size of event **does not** require additional waste service. As the Event Promoter, I am responsible for ensuring that all trash has been picked up from the event area and taken to the appropriate trash cans prior to vacating the park.

Size of event **does** require additional waste service. As the Event Promoter, I am responsible for ensuring that all trash has been picked up from the event area, removed from containers, and taken to the appropriate trash cans prior to vacating the park. Location of additional cans and/or dumpsters must be approved by the Town of Gilbert and marked on the event site map.

Trash Bins/Dumpsters to be provided by Town of Gilbert Promoter/Private Company

# of Trash Cans - Black	# of Trash Cans - Blue	# of Dumpsters	Dumpster Size
