**PUBLIC SERVICE ANNOUNCEMENTS AND
EDUCATION AND OUTREACH MATERIALS**

The National Fair Housing Alliance is pleased to share with you its catalog of Public Service Announcements and Education and Outreach Materials. The PSAs in this catalog have been categorized mostly by Protected Class. These PSA materials have been adapted for use in many different media.

Each available PSA media type is identified by the following tags:

TV and Radio PSAs, Educational Brochures, and Fair Housing Videos are also available.

Language Options

All PSAs are available in English, and many offer several different language options. Language options are identified by the following two-letter codes:

- EN** (English)
- SP** (Spanish)
- AR** (Arabic)
- CH** (Chinese)
- KO** (Korean)
- RU** (Russian)
- TL** (Tagalog)
- VI** (Vietnamese)

Note: Language codes apply to Magazine ads and may not apply to all media types.

Type of Housing Transaction

PSAs are also identified by type of housing transaction, designated by the following codes:

- DC** (Design and Construction)
- DI** (Diversity and Inclusion)
- G** (General Fair Housing)
- L** (Lending)
- PL** (Predatory Lending)
- R** (Rental)
- S** (Sales)

Where To Find These Materials

These materials are available for free at the **National Fair Housing Alliance** website, and many of them may be localized with your agency or jurisdiction's contact information.

Here is the website address: www.nationalfairhousing.org

Localization

If you are unable to localize a print document yourself, please contact the National Fair Housing Alliance (contact information can be found on the last page of this document).

For TV and radio PSAs, you may be able to partner with a local station, production company, or university which can assist in the localization of these assets. You can always reach out to The CauseWay Agency (at 203-454-2100) which will gladly assist with broadcast localization, but which charges a modest fee.

Securing Donated Media

As you are selecting your PSAs, you should also be planning your media outreach strategy in order to secure donated media in support of fair housing. Be sure to prepare an "elevator speech" that readily conveys the importance of the issue in your community and why free media time and/or space could be helpful. The media is not required to support PSAs but often helps when unsold inventory is available. They look for issues or causes that are locally relevant and important to their audience. As such, you should develop a list of your priority media outlets (e.g., TV, radio, print and outdoor [billboards, bus shelters, etc.]) and then call these outlets to identify and meet with the individual tasked with Public Service Advertising. It may be a person in Community Affairs, but not necessarily. You should also know that, historically, the NFHA PSAs in the Clearinghouse's library have been met with significant donated media support, at least on a national basis.

Many of the PSAs in this catalog were created with funding from the U.S. Department of Housing and Urban Development.

HOUSING DISCRIMINATION UNMASKED.

Don't let housing discrimination get covered up.

"When I went looking for an apartment, I wore a mask. But they could still see I'm Black. I was told that they wouldn't rent to me because they heard Black people were disproportionately getting COVID-19."

COVID-19 inequity is real, and it shouldn't be made worse because of housing discrimination. If you suspect housing discrimination because of your race, color or national origin, file a complaint with HUD or your local fair housing center so we can investigate it.

WILDFIRES DON'T CARE ABOUT YOUR RACE. BUT WHEN WE TRIED TO RENT A NEW PLACE TO LIVE, WE LEARNED THAT SOME LANDLORDS DO.

When the fire came, we had to run from our home. Fortunately, we found temporary shelter. But as we started looking for a place to live, we ran into housing discrimination, which isn't just unfair – it's illegal. We found the home of our dreams, but the real estate agent said she thought we would be more comfortable in a different neighborhood. AS COVID-19 MAKES IT HARD FOR SOME PEOPLE TO PAY RENT, SOME LANDLORDS ARE SUGGESTING SEX INSTEAD OF RENT.

During the COVID-19 crisis, many people are struggling to pay rent. Unfortunately, some unscrupulous landlords try to force tenants to provide sexual favors in exchange for canceling or reducing rent. Sexual harassment in housing situations is illegal under the Fair Housing Act. Your landlord wants sex in exchange for repairs?

That's illegal.

Sexual harassment by a landlord, maintenance worker or anyone associated with your rental property is against the law. The Fair Housing Act protects you from harassment, including someone repeatedly entering your apartment without permission, making unwelcome sexual advances or refusing to make repairs because you deny sexual favors. If this happens to you, file a housing discrimination complaint.

We found a three-bedroom apartment we loved in a great neighborhood with good schools and a beautiful park. But the landlord told us to live someplace else that would be better for our family. We filed a complaint with HUD, and now we have a wonderful place to live.

Here are some telltale signs of housing discrimination against families with children:

- Allowing only one child per bedroom
- Charging a higher security deposit for families with kids
- Limiting families with children to the first floor or certain buildings
- Refusing to rent to families with children

THIS VETERAN HAS EXPERIENCED ENOUGH.

HE SHOULDN'T HAVE TO FIGHT HOUSING DISCRIMINATION BECAUSE OF HIS DISABILITY.

Sergio lost his leg and his hearing while serving our country overseas. Now back home, he was ready to start a new chapter in his life. UNLESS YOU REPORT HOUSING DISCRIMINATION, IT WON'T STOP.

Discrimination isn't always this obvious. But it is just as hurtful and illegal. Here are possible signs you might hear from a landlord:

- "There's a lot of traffic. It isn't safe for kids."
- "The apartment I told you about on the phone has already been rented."
- "My insurance won't cover a ramp if you get hurt."
- "We only take English speaking people."
- "The ad is wrong. The rent is really \$75 higher per month."
- "Steps are what we have. We can't accommodate a walker."

IF YOU SUSPECT HOUSING DISCRIMINATION, PLEASE REPORT IT.

WHEN WE EMBRACE DIVERSITY, WE BUILD STRONGER COMMUNITIES.

Studies show that diversity helps broaden children's social networks by creating opportunities for interaction across racial and ethnic lines. And that in turn contributes to greater tolerance, fair-mindedness and openness. Housing discrimination deters the creation of diverse communities. A ZIP CODE SHOULD NOT DETERMINE A CHILD'S FUTURE.

Many variables can shape a child's outcome in life—like the zip code where a child grows up. That's because not all neighborhoods have the same opportunities and resources, such as quality schools, transportation, housing, healthcare, food and jobs. The good news is that there are many ways to improve our communities so that everyone has a fair chance to succeed, regardless of zip code. You can play a vital role in your local community.
