Palo Verde

Palo Verde

An architectural rendering of a modern building featuring a prominent, curved concrete overhang. The overhang is supported by several thick, cylindrical columns with a textured, brownish surface. A sign on the underside of the overhang reads "Gilbert Regional Park". The building's facade is a mix of light-colored panels and green vertical accents. The foreground shows a paved road with a white line and a yellow curb. The ground is covered in gravel and sparse, dry vegetation. The sky is clear and blue.
