## Planning Commission Public Hearing

### ADDENDUM

**TO:** PLANNING COMMISSION / DESIGN REVIEW BOARD

**FROM:** EVA CUTRO, AICP, PLANNING MANAGER  
(480) 503-6782, EVA.CUTRO@GILBERTAZ.GOV 

**MEETING DATE:** NOVEMBER 2, 2022

**SUBJECT:** Z22-12 MODERA-GILBERT: Request to rezone approximately 15.39 acres located at the southwest corner of Higley and Ray Roads from Town of Gilbert Shopping Center (SC) zoning district to 3.80 acres of General Commercial (GC), 8.66 acres of Multi-Family/Medium (MF/M), and 2.93 acres of Shopping Center (SC) zoning districts, with a Planned Area Development overlay zoning district (PAD).

**STRATEGIC INITIATIVE:** Exceptional Built Environment

To allow for a mixed-use development on a vacant parcel.

### RECOMMENDED MOTION

For the reasons set forth in this staff report, move to recommend approval to the Town Council for Z22-12 MODERA-GILBERT Mixed Use Development, as requested, subject to the conditions listed in the staff report.

#### APPLICANT

Company: Burch & Cracchiolo  
Name: Brennan Ray

#### OWNER

Company: Mill Creek Residential  
Name: Tyler Wilson

Address: 1850 N. Central Ave, Ste 1700  
Phoenix, AZ 85004  
Phone: 602-234-8794  
Email: bray@bcattorneys.com

Address: 15210 N. Scottsdale Rd.  
Scottsdale, AZ 85254

## BACKGROUND/DISCUSSION

### History

<b>Date</b>	<b>Description</b>
<i>July 22, 2003</i>	The Town Council approved a Z02-32 (Ordinance No. 1501) a rezoning creating the 586.5 acres Lyon’s Gate PAD located at the southeast corner and southwest corner of Higley and Ray Roads.
<i>May 14, 2015</i>	Design Review Board approved DR15-05 Valero/CST Store for a fueling facility and overall site master plan.
<i>March 3, 2021</i>	Planning Commission reviewed DR20-109 Gilbert Pavilion at Study Session.
<i>September 7, 2022</i>	Planning Commission reviewed Z22-12 at Study Session

### Overview

The subject site is an approximate 15.4-acre parcel located in the Gateway Character Area on the southwest corner of Higley and Ray Roads, directly south of the Epicenter mixed-use development. An existing fueling facility with car wash was approved on the hard corner in 2015. This was Phase 1 to a master planned vision for the whole site. Phase II did not come to fruition. The applicant is requesting a Rezone and Design Review to introduce a new mixed-use development with approximately 22,000 square feet of ground floor commercial/retail space and 276 residential units divided among loft units above retail space and traditional multi-family residential buildings.

Currently there isn’t a singular zoning district in the Land Development Code that could encompass the proposed development plan. Therefore, the applicant is requesting three zoning districts with a Planned Area Development to meet existing Town standards for their mixed-use proposal. The request is to rezone from Shopping Center (SC) to a mix of General Commercial (GC) on 3.8 acres, Multi-Family Medium (MF/M) on 8.66 acres, and Shopping Center (SC) on 2.9 acres with a PAD. Town staff is currently in the early stages of creating a mixed-use zoning district. If approved, the applicant proposes to utilize this district to convert a portion of the MF to commercial use.

**Surrounding Land Use & Zoning Designations:**

	Existing Land Use Classification	Existing Zoning	Existing Use
North	General Commercial	General Commercial (GC) PAD and Shopping Center (SC) PAD	Ray Road, then Agritopia Epicenter and Air Guitar
South	Residential >3.5-5	Single Family Detached (SF-D) PAD	Lyons Gate
East	Neighborhood Commercial and Residential >3.5-5	Neighborhood Commercial (NC) PAD and Multi-Family Medium (MF-M) PAD	Higley Road, then Dunkin Donuts and Apartment Homes
West	Residential >3.5-5	Single Family Detached (SF-D) PAD	Banning Street, then Lyons Gate
Site	General Commercial	Shopping Center (SC) PAD	Fueling Station /Undeveloped

**Gateway Character Area**

The subject site is located within the Gateway Character Area identified in the 2020 General Plan.

**Gateway Character Area (GCA)**– *The Gateway Character Area identifies desirable physical characteristics that will enhance Gilbert’s unique identity and bring back traditional neighborhoods. It provides for traditional village/neighborhood design concepts which are reminiscent of the heritage of Gilbert. It promotes pedestrian/ bicycle/ transit-oriented design, and integrates residential, commercial, employment, schools, places of worship, and parks with rail and bus transit, bikeways, and pedestrian paths. It affords an opportunity for small-scale urban agriculture.*

- Gilbert 2020 General Plan

Modera Gilbert has a unique opportunity within the Town. There are two areas within Gilbert where residents have envisioned premier mixed-use locations, the Heritage District and within the Gateway Character Area (GCA). The Gateway vision has been in place for some time and was recently reaffirmed by our residents in the 2020 General Plan adoption. In the past few years, local landowners, developers, residents, and Town staff have worked together to move

that vision forward within two major areas of the GCA – Agritopia/Epicenter and Cooley Station. Modera proposes to continue that vision.

According to the applicant, their proposal meets the following General Plan Goals and Policies:

- Policy 1. Ensure the Town maintains a land use framework that supports a highly livable community through the efficient use of land and resources. The changes requested will allow for a mixed-use development that responds to the need for thoughtful commercial development and current housing trends needed in the Town, including the need for high-quality housing. The change will also allow for a higher quality development with a cohesive design, landscaping, theming, etc., that the current designation cannot support. (Goal CM-1)

The resultant efficiency and connectivity of the mixed-use development planned for the Site will complement the surrounding uses and provide additional connectivity . (Goal CM-5)

- Policy 2. Encourage high quality housing in suitable areas that can accommodate a variety of lifestyles, households, ages, market preferences, and incomes. Gilbert’s demographics are changing, and its population is becoming more diverse in terms of household size, age composition, and income levels. Thus, diversity in housing products of the type that will be possible through the proposed changes will meet the needs of these residents. (Goal CM-1).

The diverse high-quality housing options anticipated will help create dwelling options for individuals and families of different income levels and demographics, including aging seniors and empty nester’s, multi-generational households, young professionals, young families, and members of the local workforce. (Goal CM-5)

- Policy 3. Support placement of compatible commercial uses and community services that integrate access to daily needs into residential neighborhoods. The mix of commercial and residential uses that can be achieved by the proposed changes will be balanced with the needs of the greater area for a more diverse land use mix that helps promote the community character. (Goal CM-1)

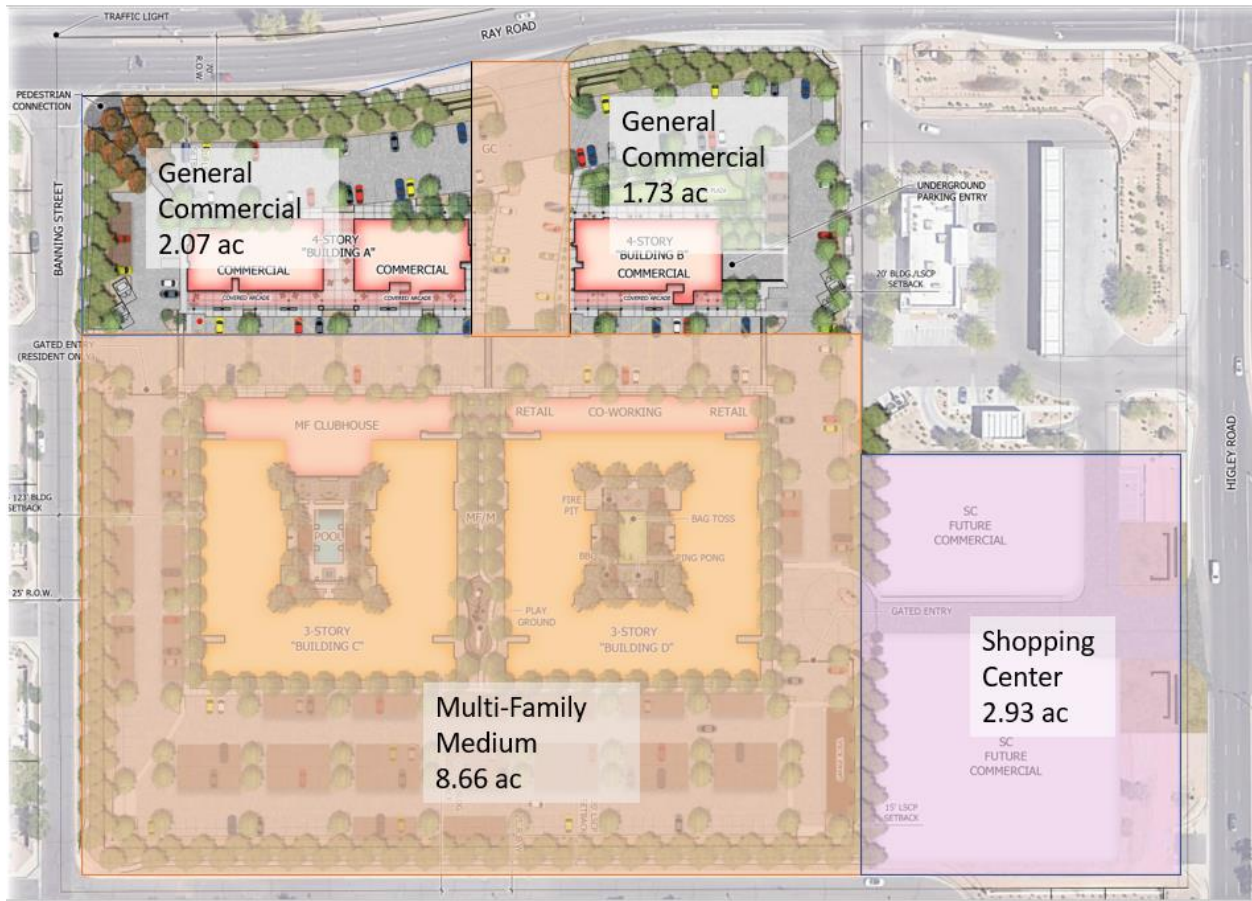

The proposed mixed-use development will help create a vibrant gathering place with close pedestrian and bicycle access to the existing Town facilities in the area. (Goal CM-3)

The combination of commercial and residential uses can help to reduce automobile trips by encouraging walking, biking, and other alternative means of transportation. (Goal OP-2)

## Rezoning

The applicant is requesting to rezone the 15-acre subject site from Shopping Center (SC) PAD to General Commercial (GC), Multi-Family/Medium (MF/M), and Shopping Center (SC) with a Planned Area Development (PAD) overlay. This will allow for the development of a mixed-use commercial development with loft above residential units on the northern section of the site, a multi-family component on the south, and two undeveloped pads along the Higley Road frontage. The requested rezoning designation is proportioned as follows:

Zoning Designations	Current Approximate Acreage	Proposed Approximate Acreage
General Commercial (GC)	0	3.8
Multi-Family/Medium (MF/M)	0	8.66
Shopping Center (SC)	15.4	2.93
<b>Total</b>	<b>15.4</b>	<b>15.4</b>

The General Commercial zoning designation was initially intended to extend further south, across the drive-aisle, and into the multi-family buildings to create ground floor commercial with loft-above residential on both sides of the internal drive. The plan was to create an internal pedestrian oriented “paseo-like” area; however, staff advised against having multiple zoning districts on one building. Therefore, the applicant will still be constructing the southern frontage of the paseo (highlighted in RED below) for retail space and activate it when/if the potential mixed-use zoning district comes to fruition.

### PAD and Development Plan

The applicant is requesting deviations to the Land Development Code standards to increase the building height, reduce the front landscape setback along Ray Road, and to the reduce/increase the overall landscape area requirements in the General Commercial and Multi-Family/Medium zoning districts as shown below.

### Data Table

Site Development Regulations	LDC	Proposed
<b>General Commercial (GC)</b>		
Maximum Height (ft.)/Stories	45'	55'
Minimum Landscape Area Setbacks (ft.)		
Front	25'	20'
Minimum Landscaping (% of net area)	15%	43%
<b>Multi-Family/Medium (MF/M)</b>		
Maximum Height (ft.)/Stories	40'	48'
Minimum Landscaping (% of net area)	40%	31%

According to the applicant, the request to increase building height is to accommodate the increased internal height needed for the ground floor retail spaces in the vertical mixed-use areas of the proposed development.

In talks with Town staff, the applicant has stated the intent of the deviations to the overall landscape and open space percentage is necessitated to better spread the landscape across the entire site. While the percentage in the MF/M zone is less than required, the open space percentage in the GC zone far exceeds minimums. The overall open space percentage for the entire site also exceeds minimums – required is 33.6%, 34.3% is provided.

The applicant states that the slight reduction in the front setback is to allow more social spaces throughout the remainder of the site.

### **PUBLIC NOTIFICATION AND INPUT**

A notice of public hearing was published in a newspaper of general circulation in the Town, an official notice was posted in all the required public places within the Town and neighborhood notice was provided per the requirements of the Land Development Code Article 5.205. Property posting and mailing notices were completed on October 18, 2022 with affidavits provided.

The applicant has held three neighborhood meetings on October 25, 2021, February 17, 2022, and June 29, 2022. Approximately 60 residents attended the virtual October 2021 meeting, approximately 37 at the virtual February 2022 meeting, and approximately 12 attended the in-person June 2022 meeting.

#### **Resident Input - October 25, 2021 Neighborhood Meeting**

Applicant presented a proposal to change the site to straight Multi-Family/Medium (Attachment 7). Summary of the resident input:

- Predominantly concerned with the loss of commercial and the loss of potential services the community has been looking forward to.
- Apartments are not a good fit here as there are already apartments located on the NWC and the SEC of Higley and Ray.
- Concerns with the added dwelling units exacerbating the already high traffic volume in the area.

#### **Resident Input - February 17, 2022 Neighborhood Meeting**

Applicant presented a proposal to change the site to a vertical mixed-use Multi-Family/High and General Commercial (Attachment 8). Summary of the resident input (Applicant response in *ITALICS*):

- MF/H will have more crime, services calls, etc.

- *This will be a Class A plus planned market rate multifamily development. Rents will be competitive with what is around the area. There is a high demand to live in this area.*
- What type of retail is proposed?
  - *There will be approximately 18,000 sf of retail. Will not include big box stores or fitness centers. Will most likely include restaurants.*
- What about the traffic? Will the MF & retail have more traffic?
  - *With the potential site plan shown with 130,000sf of retail, could generate a.m. peak traffic at 231 trips and p.m. peak traffic and 693 trips.*
- Why doesn't the current zoning district work for the site?
  - *Because of the everchanging landscape, especially retail. No longer building grocery stores at every corner. Big box stores are no longer in demand. Retail market has shifted. This will be a successful addition to the area.*

### Resident Input - June 29, 2022 Neighborhood Meeting

Applicant presented a proposal to change the site to a vertical mixed-use Multi-Family/Medium and General Commercial (Attachment 9). Summary of the resident input (Applicant response in *ITALICS*):

- There is a park on the south side of the development in the existing residential community. What will keep apt dwellers from using their park?
  - *The park sits on the edge of a public street. The apts will be a gated community with the gates being located on the east and west sides. There will not be a gate in the area of their park. There will be internal amenities for the apt dwellers, including a 10,000sf pocket park.*
- Who will be the primary tenants?
  - *With so much employment and office uses in the area and the regional hospital nearby, there are people who will want to work and live in the same area. Demographics will be a wide cross section of tenants from families to singles, old and young. There will be 1, 2 & 3 bedroom units. This is a lifestyle choice where people choose to live in this type of setting – urban and walkable. In addition, there will be a co-working space.*

- Will it meet parking code?
  - *Parking will meet code. There will be 505 parking spaces or 1.8 parking spaces per home. There will be 78 spaces underground and there will be 63 units above the retail. The 1.8 parking spaces per home is higher than industry.*
  
- This is one of the last commercial corners, why are you rezoning it? Why not develop a commercial shopping center?
  - *The retail market is shrinking. Online shopping is taking over. In the future, estimated that 2/3 of all purchases will be online. This site is no longer viable for a 15 acre retail center. According to Jenn Daniels, the Gilbert Planning Dept put out a report on multi-family housing and if it has a higher impact for services and the answer was no. The Wayfair Solution shifted how sales taxes were done. Now online retailers are required to pay local sales taxes to wherever packages are delivered. 6-10% of the housing stock is MF and Gilbert is now below that.*

### **Additional Resident Input Submitted to Staff**

Staff received an email from a resident in the week prior to the Study Session Hearing with the following input:

- The rezoning of the lot to MF from SC and installing apartments would have 3 separate apartment complexes at that intersection, is that what Gilbert is about?
  
- The rezoning chips away at the last remaining property zoned SC in Gilbert;
  
- Asking the residents to absorb an increase in calls for service and increased traffic issues without any added benefit;
  
- Adding strain to an already overcrowded area of commercial. (wait times for the restaurants in the area are typically 30-65 minutes)

Instead of MF...

- Keep the entire lot commercial and allow for loft over commercial.
- Increase parking area for the commercial onsite and residents.

### **Planning Commission Study Session, September 7, 2022:**

During the Study Session, the following comments were brought forth by the Planning Commission Members:

- Will there be a PAD.? Planner Josh Rogers responded affirmatively and added that there will be an associated development plan.
- Are they meeting the LDC garage requirement for the MF/M? Planner Josh Rogers responded that they are meeting the requirement. The four-story “Building B” has 75 spaces of underground parking, exclusively for residential units above the commercial areas.
- With units going from 300 to 274, are they still within the 25 units per dwelling acre? Planner Josh Rogers responded that they are slightly exceeding it at 26 units on the land zoned MF/M due to the inability to have a singular zoning district across the entire project and staff is working with the applicant on this.
- Will there be shared parking with the mixed use commercial and are there parking concerns? Planner Josh Rogers responded that there are ongoing discussions on the parking. There is the possibility of shared parking, but a substantial parking study would have to be undertaken.
- Is there staff support for this project? Planner Josh Rogers responded that it is early; however, the project is mostly in line with the vision for the Gateway Character Area.
- It was noted that it is clear there has been a lot of work by the applicant and staff to create a project that meets the town’s vision.
- There was discussion of the landscaping coming up short, as it seems there is space to honor the requirement.

### SCHOOL DISTRICT

Efforts are being coordinated with the Higley Unified School District throughout the entitlement process to ensure that adequate educational facilities are maintained for the neighborhood. Notice was provided to the Higley Unified School District. At this time, no comment has been received.

### PROPOSITION 207

An agreement to “Waive Claims for Diminution in Value” pursuant to A.R.S. § 12-1134 was signed by the landowners of the subject site, in conformance with Section 6.2.2 of the Town of Gilbert Land Development Code. This waiver is located in the case file.

### REASONS FOR THE RECOMMENDATION

1. The proposed zoning amendment conforms to the General Plan as amended, any applicable Specific Area Plan, neighborhood, or other plan and any overlay zoning district.
2. All required public notice has been conducted in accordance with applicable state and local laws.
3. All required public meetings and hearings have been held in accordance with applicable state and local laws.
4. The proposed rezoning supports and maintains the Town's strategic initiative for Community Livability. It supports the motto "Gilbert: Clean, Safe, Vibrant."

### **STAFF RECOMMENDATION**

- A. For the reasons set forth in this staff report, move to recommend approval to the Town Council for Z22-12 MODERA-GILBERT Mixed Use Development, as requested, subject to the following conditions:
  - a. Dedication to Gilbert for Ray Road and Higley Road rights-of-way that are adjacent to the Property shall be completed prior to or at the time of recordation of the final plat or sooner as required by the Town Engineer.
  - b. Dedication of Ray Road shall extend 70 feet from the monument and dedication of Higley Road shall extend 70 feet from the monument line.
  - c. Dedication to Gilbert for Banning Street right-of-way that is adjacent to the Property shall be completed prior to or at the time of recordation of the final plat or sooner as required by the Town Engineer. Dedication of Banning Street shall extend 25 feet from the center line.
  - d. Dedication to Gilbert for Dublin Street right-of-way that is adjacent to the Property shall be completed prior to or at the time of recordation of the final plat or sooner as required by the Town Engineer. Dedication of Dublin Street shall extend 25 feet from the center line.
  - e. Construction of off-site improvements to Ray Road, Higley Road, Dublin Street, and Banning Street adjacent to the Property shall be completed prior to issuance of a certificate of occupancy or final approval of any unit

or building constructed on the Property or at the time requested by Gilbert, whichever is earlier.

- f. Developer shall construct, at the Developer's expense, dedicated right turn lane(s) and any associated improvements at any proposed access on Ray Road and Higley Road right-of-way into the site. The minimum geometry of the dedicated right turn lane(s) shall be 80 feet storage, 85 feet taper, and 12 feet wide or per the storage per as described in the approved traffic study.
- g. Developer shall design and construct, at the Developer's expense, dual lefts for each approach and any associated improvements at the intersection of Ray Road and Higley Road. Improvements will include any traffic signal improvements necessary as required by the Town's Traffic Engineer. Improvements shall be completed prior to issuance of a certificate of occupancy or final approval of any unit or building constructed on the Property or at the time requested by Gilbert, whichever is earlier.
- h. Developer shall design and construct the first drive aisle from Higley Road and Ray Road right-of-way to the distanced described in the traffic study at all full access locations adjacent to the Town's right-of-way.
- i. Developer shall provide, at the Developer's expense, a traffic study to determine the impacts and provide mitigations caused from the proposed development to the Town's road network. The developer is required to make any improvements as described in the traffic study provided with subsequent construction document submittal. The traffic study shall be reviewed and accepted by the Town's Traffic Engineer prior to any Design Review approval.
- j. Vehicle storage in front of gates shall have at least 100 feet of storage within the Property unless a technical variance is approved by the Town Engineer. Gates blocking vehicular traffic must not block drive aisles or cause traffic to queue within the Town of Gilbert right-of-way.
- k. At the written request of Gilbert, Developer shall dedicate all necessary easements for the roadway improvements, including easements for drainage and retention and temporary construction easements. Failure to dedicate said easements within thirty (30) days after the date of Gilbert's written request may result in the reversion of the zoning of the Property to the prior zoning classification.

- l. Developer shall create a Property Owner’s Association (POA) for the ownership, maintenance, landscaping, improvements and preservation of all common areas and open space areas, and landscaping within the rights-of-way.
- m. Developer shall record easements to be owned by the POA for pedestrian, bicycle, multi-use or trail system purposes as determined by the final plat, at the time of final plat recordation, or earlier if required by the Town Engineer. In recognition of the modifications to the underlying zoning regulations set forth herein, such easements shall be open to public access and use.
- n. Prior to final plat approval, Developer shall pay for its proportional share of water and sewer mains benefitting the Property, as required by the Town Engineer.
- o. The Project shall be developed in conformance with Gilbert’s zoning requirements for the zoning districts and all development shall comply with the Town of Gilbert Land Development Code, except as modified by the following:

Site Development Regulations	LDC	Proposed
<b>General Commercial (GC)</b>		
Maximum Height (ft.)/Stories	45’	55’
Minimum Landscape Area Setbacks (ft.)		
Front	25’	20’
<b>Multi-Family/Medium (MF/M)</b>		
Maximum Height (ft.)/Stories	40’	48’
Minimum Landscaping (% of net area)	40%	31%

- p. The maximum number of dwelling units shall be limited to the maximum allowed under the Gilbert General Plan.
- q. The following fair disclosure agreement and covenant, which would include the following disclosure, shall be recorded as a condition of development approval.

“This property, due to its proximity to Phoenix-Mesa Gateway Airport, will experience aircraft overflights, which are expected to generate noise levels that may be of concern to some individuals. The mix of aviation activities and types of aircraft expected to be located and operate at the airport now and in the future include: scheduled and unscheduled commercial charters, commercial air carriers and commercial air cargo operations, all of which are expected to use large commercial aircraft; general aviation activity using corporate and executive jets, helicopters, and propeller aircraft; aviation flight training schools using training aircraft; and military activity using high performance military jets. The size of aircraft and frequency of use of such aircraft may change over time depending on market and technology changes.”

- r. Any final subdivision plats and public reports filed with the Arizona Department of Real Estate shall include the notice described in condition “q”
- s. Sales and leasing offices established for residential development projects shall provide notice to all prospective buyers and lessees stating that the project is located within an Aircraft Overflight Area. Such notice shall consist of a sign at least 4-foot by 4-foot installed at the entrance to the sales or leasing office at each project. The sign shall be installed prior to commencement of sales or leases and shall not be removed until the sales office is permanently closed or leasing office no longer leases units in the project. The sign should state the disclosure in condition “q.” with letters of at least one (1) inch in height.
- t. The developer shall incorporate features into the design and construction of buildings where people live, work, or are otherwise received to achieve an outdoor to indoor noise level reduction of 25 decibels.

Respectfully submitted,

Eva Cutro, AICP  
Planning Manager

**Narrative**

**I. INTRODUCTION**

Continuing its reputation of building high-quality developments, Mill Creek Residential (“MCR”) is the proposed developer of 15.39± gross (12.86± net) acres south and west of the southwest corner of Higley Road and Ray Road (the “Site”). MCR anticipates developing this infill site with a vibrant mixed-use development known as “Modera Gilbert.” Modera Gilbert will be a highly-amenitized, pedestrian-experience oriented development consisting of approximately 22,000 square feet of retail space and 276 luxury residences in multiple buildings. This exciting mixed-use development will be an attractive presence in the area, providing addition commercial and living opportunities in the area. To achieve this, MCR requests to rezone the Site from Shopping Center (SC) to:

- General Commercial (GC) on 3.8± gross acres;
- Multi-Family/Medium (MF/M) on 8.66± gross acres; and
- Shopping Center (SC) on 2.93± gross acres with a Planned Area Development (PAD) Overlay.

Modera Gilbert will be a recognizable presence and strong, viable development for the Town of Gilbert (the “Town”) given its location and proximity to the Loop 202. The development plans that will be included with the Design Review application include design concepts and plans that portray superb quality and an extraordinary sense of community, compatibility, and sustainability. Development on the Site incorporates high-quality residential and commercial uses in an integrated manner. The landscaping, walls/fences, and open space areas will unify the land uses in a cohesive manner. Appropriate vehicular and pedestrian circulation will be provided throughout the Site, with pedestrian linkages between the uses. Furthermore, the proposed development creates additional employment opportunities in the immediate area and provides much needed housing to the Town and immediate area. This development plan provides the opportunity for people to live, work, shop, and dine within close proximity to major employment areas and commercial developments, thereby reducing trips, trip lengths, travel times, and environmental impacts.

**II. SITE AND SURROUNDING AREA**

An aerial of the Site is included as *Exhibit 1, Aerial*. The Town’s General Plan designates the Site as General Commercial (GC). The General Plan designations, zoning, and uses for the surrounding area are as follows:

	<b>General Plan</b>	<b>Zoning</b>	<b>Existing Use</b>
North	General Commercial	SC, GC	Commercial; Residential
South	Residential > 3.5 - 5	SF-D	Single-family development
East	Residential > 3.5 - 5	MF/M; SF-D	Single-family development
West	Residential > 3.5 - 5	SF-D	Single-family development

### III. REZONING REQUEST

#### A. Proposed Zoning Districts and Uses

As stated above, MCR is requesting the Site be rezoned from SC to General Commercial (GC) on 3.80± gross acres; Multi-Family/Medium (MF/M) on 8.66± gross acres; and Shopping Center (SC) on 2.93± gross acres with a Planned Area Development (PAD) Overlay. Anticipated uses include commercial and multi-family.

#### B. Compliance with General Plan

Because the Policies in the General Plan can relate to and fulfill more than one Goal—from Community Goals to Opportunity Goals to Connectivity Goals—this application will address the Policies being met or satisfied in their numerical order and then note the individual Goals that are met by the requested change in land use designation for the Site, whether they relate to Community, Opportunity, or Connectivity Goals.

- **Policy 1. Ensure the Town maintains a land use framework that supports a highly livable community through the efficient use of land and resources.** The changes requested will allow for a mixed-use development that responds to the need for thoughtful commercial development and current housing trends needed in the Town, including the need for high-quality housing. The change will also allow for a higher quality development with a cohesive design, landscaping, theming, etc., that the current designation cannot support. **(Goal CM-1)** The resultant efficiency and connectivity of the mixed-use development planned for the Site will complement the surrounding uses and provide additional connectivity. **(Goal CM-5)**
- **Policy 2. Encourage high quality housing in suitable areas that can accommodate a variety of lifestyles, households, ages, market preferences, and incomes.** Gilbert's demographics are changing, and its population is becoming more diverse in terms of household size, age composition, and income levels. Thus, diversity in housing products of the type that will be possible through the proposed changes will meet the needs of these residents. **(Goal CM-1)**. The diverse high quality housing options anticipated will help create dwelling options for individuals and families of different income levels and demographics, including aging seniors and empty nester's, multi-generational households, young professionals, young families, and members of the local workforce. **(Goal CM-5)**
- **Policy 3. Support placement of compatible commercial uses and community services that integrate access to daily needs into residential neighborhoods.** The mix of commercial and residential uses that can be achieved by the proposed changes will be balanced with the needs of the greater area for a more diverse land use mix that helps promote the community character. **(Goal CM-1)** The proposed mixed-use development will help create a vibrant gathering place with close pedestrian and bicycle access to the existing Town facilities in the area. **(Goal CM-3)** The combination of commercial and residential uses can help to reduce automobile trips by encouraging walking, biking, and other alternative means of transportation. **(Goal OP-2)**
- **Policy 4. Promote mixed-use development within appropriate land use classifications.** Integrating compatible land uses in compact development patterns helps to utilize land resources **(Goal CM-1)** and foster vibrant gathering places more efficiently. **(Goal CM-3)**. Future workforce characteristics such as family size, income, age, and tastes require diverse housing choices that can be achieved through the proposed amendment. **(Goal CM-5)**. The contemplated mixed-use development can promote the use of alternative modes of transportation, which can positively influence secondary outcomes such as physical activity

and air quality measures in a community. (Goal CN-2)

- **Policy 6. Support the provision of appropriate transitions between sites having distinct changes in types or intensities of land uses.** The amount of vacant developable land within the Town is steadily diminishing, which makes the change in uses for the Site important and “context-sensitive” to the adjacent land uses and compatible with those existing uses. Consistent with good planning principles, the proposed changes and future development plans will transition from more intense uses north of the Site and at the Higley Road/Ray Road intersection to less intense residential uses to the west and south. Having commercial uses along Ray Road creates an appropriate buffer and an appropriately balanced land use framework. (Goal CM-1)
- **Policy 19. Support infill development that is designed to acknowledge the surrounding context.** The change to a mix of land uses will support a transition of the Site from its undeveloped status to an infill development that complements the surrounding area. (Goal CM-4) Additional high-quality housing will provide for additional housing options for people looking to live in this area. (Goal CM-5)
- **Policy 71. Grow the Town’s fiscal health.** The additional commercial and residential use will encourage job growth and add short-term (increased sales taxes) and long-term (increased property taxes) revenue streams to the Town’s finances. (Goal OP-1).

**C. Proposed PAD**

MCR requests the following PAD modifications to the base district development standards:

	<b>LDC Standard</b>	<b>Proposed Standard</b>
<b>GC</b>		
Landscape/Open Space Area	15%	43%
Building Height	45 ft.	55 ft.
Landscape Setback	25 ft.	20 ft.
<b>MF/M</b>		
Landscape/Open Space Area	40%	31%
Building Height	40 ft.	48 ft.
Landscape Setback	20 ft.	20 ft.

The proposed modifications are appropriate under the circumstances. The Site is a high-quality mixed-use development on in-fill site. Because the Town does not have a single zoning district for this mixed-use development, two different zoning districts were necessary to achieve the type of development required for the area. Modera Gilbert’s design is intended to create a vibrant experience for users, residents, and passers-by though the use of thoughtfully planned open space areas strategically located to create gathering areas. The reduced setbacks are necessary to maximize the amount of social spaces throughout the Site. When taken as a whole, the open spaces areas for the proposed GC and MF/M zoning districts far exceed what would typically be required of a mixed-use development on an in-fill site. Additionally, the increase in height is in keeping with other developments in the immediate area.

#### **IV. SUMMARY**

The proposed Rezoning for a high-quality, mixed-used development is supported by the Goals and Policies of the Town's General Plan. This exciting development combines commercial and multi-family uses in a vibrant, dynamic setting with a unified theme. Modera Gilbert will provide a variety and mix of commercial opportunities and housing choice, the design of which will meet or exceed the Town's development criteria and expectations. The development plans and design guidelines/standards accompanying the Rezoning case will portray superb quality and an extraordinary sense of community, compatibility, and sustainability. We request your approval.

**MILL CREEK RESIDENTIAL – MODERA GILBERT**

**6/29/2022 NEIGHBORHOOD MEETING**

**Attendees**

Mark Sanford – Mill Creek Residential  
Tyler Wilson – Mill Creek Residential  
Brandon Finnie – Mill Creek Residential  
Jenn Daniels – Horizon Strategies  
Katie Prendergast – Horizon Strategies  
Brennan Ray – Burch & Cracchiolo  
Ricki Horowitz – Burch & Cracchiolo  
Bo Breunig, Owner  
Josh Rogers – Town of Gilbert  
Sal DiSanto – Town of Gilbert  
12 Neighbors (see sign in sheet)

**Introductions, Overview & Exhibit Board Presentation (by Brennan Ray)**

- This meeting is one of a series of steps
- Had previous virtual meetings in October 2021 and February 2022
- Mill Creek has done developments across the country and in Arizona
- Previous plan showed 130,000sf+/- of commercial/retail shopping center – more traffic and more trips
- Our 10/2021 site plan at first neighborhood meeting showed 3- and 4-story apts with 4 townhomes
- The February 2022 site plan added about 18,000sf of retail for a mixed use site. Had ground floor of retail and 3 floors of apts – approximately 308 units
- New plan now shows 274 units with 4-story only along Ray Road (about 10' shorter than Epicenter)
- Plan will be a vibrant, dynamic experience with a pedestrian friendly atmosphere
- Moved buildings further north, remaining apts (on south) are 3 story, and increased setbacks to 50' (30' allowed)
- Staff wanted to see more connectivity, more amenities and more of a pedestrian friendly community
- Application has not been filed yet
- Intend to file GPA from GC to Res and GC and Rezone from MF/H to MF/M
- Deviation will be a slight increase in allowed density of 25 du/ac to 26 du/ac. Also deviations with open space and height
- Will need to go through PC and TC. Public hearings may be in last quarter of 2022

## Questions, Answers and Comments

1. There is a park on the south side of the development in the existing residential community. What will keep apt dwellers from using their park?
  - A. **The park sits on the edge of a public street. The apts will be a gated community with the gates being located on the east and west sides. There will not be a gate in the area of their park. There will be internal amenities for the apt dwellers, including a 10,000sf pocket park.**
2. Will there be a park for the residents in this community?
  - A. **Yes. We are still working on the sketches.**
3. Who will be the primary tenants?
  - A. **With so much employment and office uses in the area and the regional hospital nearby, there are people who will want to work and live in the same area. Demographics will be a wide cross section of tenants from families to singles, old and young. There will be 1, 2 & 3 bedroom units. This is a lifestyle choice where people choose to live in this type of setting – urban and walkable. In addition, there will be a co-working space.**
4. What about the price range?
  - A. **Without an offer to sell and at today's prices, the average price will be \$2,000.**
5. What about parking?
  - A. **Parking will meet code. There will be 505 parking spaces or 1.8 parking spaces per home. There will be 78 spaces underground and there will be 63 units above the retail. The 1.8 parking spaces per home is higher than industry.**
6. Has the owner tried for retail only uses at this site?
  - A. **Owner has tried for retail; however, there is no market or demand for big box stores, gym, grocery stores.**
7. Where are the entrances located?
  - A. **Higley Road will have full movement – right in/out and left in/out. We are rezoning the out property along Higley so there will be vehicle and pedestrian access. Ray Road will have 2 full movements, and there will be a traffic signal at Ray & Banning. Banning Street will have full access. There will be a stop sign for tenants to stop before they access onto Banning.**
8. What about construction hours and is there enough sewer and water?
  - A. **The development is reviewed by numerous Town depts (traffic, fire, engineering, building, water & sewer, etc.) The Town will let us know if they have any concerns. The Town has codes for construction hours and will be mindful of the residents around the site. There are water and sewer lines existing in the paseo area. Those lines are not being removed or disturbed.**
9. It is impossible to turn left on Higley Road.
  - A. **There is a full movement access along Higley to the Site.**
10. What about the pump station? Are we irrigating? One neighbor heard the pump station needs to be updated for our site to use it.
  - A. **Lions Gate put the pump station in. Our site was always contemplated to use the pump station. It will only be used for landscaping. Our site will cover about 3% of the entire system. We have a desire that the system continue to function. We think the community manager would determine if the system needed to be updated.**

11. What is the size of the commercial spaces?  
**A. The average space will be about 2,000sf. Maybe up to 12 spaces with 1 co-working space.**
12. Isn't it true that higher density creates more crime?  
**A. No, it doesn't and we'd be happy to provide you with the statistics from PD.**
13. Has a traffic study been done?  
**A. A traffic study will be submitted with the applications.**
14. This is one of the last commercial centers in Gilbert?  
**A. The retail market is shrinking. Online shopping is taking over. In the future, estimated that 2/3 of all purchases will be online. This site is no longer viable for a 15 acre retail center. According to Jenn Daniels, the Gilbert Planning Dept put out a report on multi-family housing and if it has a higher impact for services and the answer was no. The Wayfair Solution shifted how sales taxes were done. Now online retailers are required to pay local sales taxes to wherever packages are delivered. 6-10% of the housing stock is MF and Gilbert is now below that.  
Now restaurant total sales are higher than retail sales.**
15. What about our property values?  
**A. There is more worry when a site is vacant because of the fear of the unknown. Studies have been done that MF has no effect on property values.**
16. What about property taxes?  
**A. Do not know about property taxes.**
17. This will be the third apartment builder coming in. Flooded with apartments on 3 corners. Will add additional 600 cars every day and it is already busy.  
**A. Brennan explained how traffic engineers look at traffic – they look at it by the number of trips. They also look at a.m. and p.m. peak hours – average daily trips. A shopping center site would increase the average daily trips by 1,800.**

# NEIGHBORHOOD MEETING

Wednesday, June 29, 2022 / 6:00 pm

Mill Creek Residential – Modera Gilbert (West of SWC Higley Road and Ray Road)

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Good morning,

When the first neighborhood meeting occurred for the plot at Higley and Ray Rd. Mill Creek/Modera proposed a large apartment complex. Which is something that many of the residents of Lyon's Gate were not in agreement with. I created this petition for the local residents to be heard. The details of the petition, which now has over 1,000 signatures, can be found here:

<https://chnq.it/yPXdHv9k>

I have also attached a spreadsheet with the names and comments from all of those that signed.

Personally when I bought my house, which faces the lot in question, I knew what it was zoned for. Commercial. Which myself and many residents would like to see go in there. Something we can use within walking distance.

I will say that the developers have listened to the complaints. The current iteration is now similar to Agriptopia's Epicenter. With a 4 story building that has shopping/restaurants on the first floor. *Unfortunately* I already stare at that across the street and cannot fathom having that in my front yard. My preference would still be to have retail pads on that lot. While I am glad the Modera people have made changes it is still another large apartment building going 3-4 stories up.

I will unfortunately be out of town and unable to attend/view the upcoming Planning Commission meeting. Please consider the wants of the local neighborhoods when you discuss the changing of this lot's existing zoning.

Thank you for your time,

Steven Mastin

Name	City	Stat	Postal Cod	Country	Commented	Comment
Madeline Brademeyer				US	11/4/2021	"We highly lack in commercial options with such a densely populated area. We can't pack more residents in, we need more commercial options to offer to the residents that already reside here."
Zoe del Rosario	Gilbert	AZ	85296	US	11/4/2021	"We do not need more apartments in Gilbert!"
Jennifer Giobres	Gilbert	AZ	85298	US	11/4/2021	"Keep it shops and restaurants"
Kaitlyn Miller	Gilbert	AZ	85298	US	11/4/2021	"The land was sold from our community with intent to ADD amenities TO and FOR our community. Apartments adds nothing but more congestion and students that won't fit in classrooms. The land should be used for what it was originally intended and promised for which is commercial use. Do not change your master plans for our town now!"
Amy Ferguson	Phoenix	AZ	85016	US	11/5/2021	"There is enough housing already on this corner."
Kevin Furia	Phoenix	AZ	85042	US	11/5/2021	"Enough is Enough. They are destroying Gilbert with all these Apartments."
Charissa Gonzalez		AZ	85295	US	11/5/2021	"Let's keep Gilbert small, safe and protect our home values. No more apartments!! Traffic is horrendous already with what has already been done. This needs to STOP!!"
Ronna Christner Jeremiah	Gilbert	AZ	85296	US	11/5/2021	"I live here and the traffic and crime are terrible! Apartments will ruin the property values of us homeowners and turn our town into a metropolis! No! No! No! To Apartments!"
Frodermann	Phoenix	AZ	85053	US	11/5/2021	"They already built 37 new complexes in our neighborhood. We definitely do not need another...."
Thomas Rothery	Gilbert	AZ	85295	US	11/5/2021	"Too many apartments! Gilbert is losing its "feel"!"
Danielle Zehring	Gilbert	AZ	85297	US	11/5/2021	"Sick and tired of all the apartments in Gilbert."
Hope Pacey-Hill	Gilbert	AZ	85295	US	11/5/2021	"we were promised more restaurants and commerce. gilbert does not need more traffic and congestion!! this is a money/greed grab. trying to take advantage of the housing market!"
Trent Hess	Gilbert	AZ	85295	US	11/5/2021	"Hello Steven,I'm concerned about the wording of your petition. Community members are being encouraged to sign the petition in order to prevent the land from being re-zoned from a shopping center to an apartment complex.Yet the very first sentence is "Let's add more apartments to Gilbert!"I recognize that this is sarcasm. But I worry that the Town of Gilbert Planning & Development Services Department will find this confusing and perhaps even delegitimizing to the petition, as a whole. If I was someone who supported this zoning change, and I read the wording of this petition, I would absolutely try to make the case that it's misleading and shouldn't be recognized. Thank you!"
Trent Hess	Gilbert	AZ	85295	US	11/5/2021	"All members of our community should oppose the re-zoning of this land. Outrageously expensive apartment homes do nothing for us. None of us will move into those homes. They aren't for us. This land was zoned for shopping. It was sold by our community to be developed as shopping. If it is developed as shops we can actually use them and get a benefit from them. There is ZERO utility in apartments for people who already live here. With restaurants and retail at least we can get some use out of that land. This land was supposed to be developed to enrich our community. Not to simply over crowd our community!"
Mike Boyd	Gilbert	AZ	85295	US	11/6/2021	"We don't need more apartments in Gilbert"
Megan Leonard	Gilbert	AZ	85295	US	11/6/2021	"No more homes"
Kristen Franco	Gilbert	AZ	85295	US	11/6/2021	"Too many apartments in the area"
Chris Morton	Gilbert	AZ	85296	US	11/6/2021	"300+ epicenter apartments are enough new apartments for this corner"
JEANIE BOYD	Gilbert	AZ	85234	US	11/6/2021	"Gilbert is being ruined by too many apartments. The traffic congestion is getting worse every month!!!"

					"The traffic is HORRENDOUS already and they're at least 7 that aren't even completed and tenants moved in!!!!!!!!!"
Shanda Nash	Gilbert	AZ	85297	US	11/7/2021
Laura Shields	Gilbert	AZ	85295	US	11/7/2021 "There are already WAY TOO MANY apartments in Gilbert. Stop the madness!"
Gary Goulet	Mesa	AZ	85213	US	11/7/2021 "Density is getting out of hand."
michelle	Gilbert	AZ	85296	US	11/7/2021 "We have enough apartments"
Nate Lambson	Murray	UT	84123	US	11/8/2021 "I do not want this spaced turned into apartments"
Jerome Sagona	Phoenix	AZ	85007	US	11/8/2021 "No more apartments in Gilbert! We're a town, not a city!" "Our schools are already over capacity, we don't need any more houses in Gilbert to add to the crowded classrooms. That intersection is constantly full of accidents, more traffic will add to it."
Kelli Payne	Phoenix	AZ	85022	US	11/9/2021 "I live next to the San Tan mall and avoid it at all costs due to rogue intersection u-turn flippers, red light runners, bad manners while driving and so much congestion. I sat through 3 light changes at one intersection in the middle of a work day; not acceptable. Where will you put the students? Bring back larger lots, single family homes or other amenities. NO MORE TOWN HOMES OR APARTMENTS!"
kristi jansen	Gilbert	AZ	85234	US	11/9/2021
David Gómez			46920	Spain	11/9/2021 "Apartments are all they've been building around here. No mas!! More commercial, as intended." "I don't want to be a part of signing multiple petitions. But I am saying "No" to residential rezoning to the area in this petition (Higley and Ray)"
Angela Auerbach	Los Angel	CA	90040	US	11/9/2021
Stacy Finter	Gilbert	AZ	85295	US	11/10/2021 "NO more apartments!"
Becky Payne	Phoenix	AZ	85021	US	11/10/2021 "We have way too many apartments in the area. Absolutely no more!" "The traffic problems so many apartments cause will be a nightmare and people won't want to live in Gilbert."
Donna Finter	Gilbert	AZ	85296	US	11/10/2021
Ed Piering	Gilbert	AZ	85296	US	11/11/2021 "There are too many apartments already." "Let's show the Town Council that they can't pull the wool over our eyes!We demand that zoning for that parcel remains the same."
Shoshana Roller	Gilbert	AZ	85295	US	2/18/2022 "The corner has traffic issues. There are many apartment complexes in a three mile radius. On the plan, there's minimal parking in the buildings facing Ray Rd—learn from the Lyon's Gate parking issues—I've heard you talk about them and you are aware first hand what inadequate parking looks like with associated safety concerns. Could we instead, look at more jobs in our city and services for the people who are already here? As a reminder, your job role is to serve the Will of the People in the town of Gilbert. You took an oath and are accountable for your individual actions including how you choose to respond to this zoning. Is it in the best interest of the people in Gilbert to add more traffic congestion to an existing problem, add more people with limited parking that will be overflowing into the surrounding Lyon's Gate streets, and limited jobs in comparison to the rental expenditure? We do not consent of the apartment complex plan including the zoning change in the SWC of Higley & Ray."
Chris Woods	Gilbert	AZ	85295	US	2/18/2022
Patricia Geiger	Phoenix	AZ	85018	US	2/18/2022 "We need to control the growth of a Gilbert!" "14 years ago I moved from Scottsdale to Gilbert for the quiet, charming small town feel. The city leaders have DESTROYED this with all the apartments. Keep up the fight!!!"
Aaron Taylor				US	2/18/2022 "After living here for 40 years, watching the greed taking over the once amazing Gilbert brings great sadness. Sickening to witness."
Christine Dees	Gilbert	AZ	85296	US	2/18/2022
AMATAL SALIM	Gilbert	AZ	85296	US	2/18/2022 "No more apartments."

Chrisel Joy Huntzinger	Phoenix	AZ	85020	US	2/18/2022	"I would like to keep our town a town and not a city."
nancy saunders	Higley	AZ	85236	US	2/19/2022	"We definitely do NOT need more apartments and especially 4 stories high !!! No to the rezoning !!!!" "I have lived in this area of Gilbert since 2009. We need residential housing and commerce and not more apartment buildings. This will create even more congestion. Gilbert needs more unity and togetherness that homes and business bring than 300 new apartments."
Anissa Schultz	Gilbert	AZ	85296	US	2/19/2022	"No to adding housing to this space."
Christine walker	Gilbert	AZ	85296	US	2/21/2022	"I'm opposed to the traffic and congestion this will cause!!"
Christine Curtis	Gilbert	AZ	85295	US	2/22/2022	"There are too many apartment complexes in that area making it very congested." "This area has recently become saturated with apartments. I've lived in Gilbert most of my life and have witnessed the exploding growth. At some point it would be nice to slow the expansion a bit, and adding more apartments is too much."
Leah Bowden	Gilbert	AZ	85297	US	2/22/2022	"I don't want more dense housing. There is too much already and traffic and overcrowding as a result."
Michelle Bentley	Gilbert	AZ	85297	US	2/22/2022	"I am tired of the congestion already and there are too many apartments with too high of rents."
Amber Davison	Tempe	AZ	85282	US	2/23/2022	"Katie Cullimore Stop the building!! We have too many apartment complexes already!!"
Angela Moyer	Gilbert	AZ	85295	US	2/23/2022	"This area is already too congested! People are starting to avoid business in this area because of this. Adding more apartments to an already saturated area will increase the problem, hurting nearby homeowners and businesses."
Katie Cullimore	Phoenix	AZ	85008	US	2/23/2022	"I agree with many of the comments on this petition. It would not be smart, nor sustainable growth to continue to cluster additional, high density housing in areas that should become amenities for the residents of the area. As this corner has already become incredibly populated, additional space is needed to promote new businesses that retain the small-town feel which attracted residents to Gilbert in the first place."
Jennifer Pearce	Gilbert	AZ	85295	US	3/1/2022	"Our neighborhood school can't hold more students and adding apartments will crowd our schools and our town. The traffic is bad enough and there are constant accidents in this area. More apartments are the last thing this area needs."
Daniel Brademeyer	Gilbert	AZ	85233	US	3/4/2022	"Please for the love of God NO MORE APARTMENTS! That monstrosity "The Tyler" Freakin' messed up the skyline enough! Whatever goes in that corner land needs to be only 1 story high!"
Kellie Earle	Gilbert	AZ	85295	US	10/18/2022	
James A Higginbotham	Gilbert	AZ	85295	US	10/18/2022
