RULES FOR 2023 GILBERT DAYS

A) Due to the ongoing problem of upper division players playing in the lower division brackets for Gilbert Days, and team managers adding players to their roster after their teams have been classified for the tournament brackets, or players showing up and playing after the tournament has started or if their other team has been eliminated, the following procedures will be required to provide team and player verifications for Gilbert Days participation:

1. Team managers/players will be required to bring a picture ID to each tournament site and check in with tournament staff prior to scheduled game time. Picture ID's will be matched to the roster submitted for each team to verify player eligibility. Players will be issued a player wristband to be worn for the duration of the tournament that verifies their participation in that division. All divisions will have a different color wristband for upper and lower levels, and wristbands must be clearly visible during play so team managers, players, umpires, and all tournament staff can verify eligibility as games occur. Wristbands will be put on players at the check in table at each site. Any team found to be playing with illegal players will be forfeited immediately and the team can be eliminated from tournament at any time. Players who cannot provide picture ID for their check in will not be allowed to play, so make sure all players ALWAYS bring in identification to tournament sites and HAVE IT. Players who do not have player identification will be considered non rostered and will not play.

2. All rosters are considered FROZEN when rosters are turned in during tournament registration for classification purposes. Changes to existing rosters will be allowed only with the approval of the tournament director(s) PRIOR to the start of the tournament or bracket assignments. It is recommended that all team managers notify their players of the check in process prior to tournament game times to make sure games start on schedule, and that all players who have verified participation with team managers be notified of these procedures. In the event of player injuries, roster additions may be allowed at the discretion of the tournament director(s).

B) There is a 55 minute or seven inning limits to all games (including Championship), which includes any time lost due to injury or other factors. No new inning will start after 50 minutes. A coin flip will determine home team. Home team is the official scorekeeper. In the event of a tie, a runner (last batter) will be placed at second base and the game will continue until the tie is broken. Each team starts extra inning with 2 outs. No courtesy runner in extra inning(s).

C) The Tournament Director/Site Supervisors have authority to make changes in the tournament schedule or format, if doing so is in the best interests of the tournament.

D) There will be no game protests. All problems will be resolved when they occur (before the next pitch) by the Tournament Director or on-site Supervisors, Umpires, or Umpires-in-Charge. All decisions are final. Team roster protests will involve both teams if they occur and will not be allowed after the 3rd inning. Please have your picture ID's with you.

E) Any additional tournament rules will be covered in the USA Softball handbook or the Gilbert Parks and Recreation Adult Softball Handbook. No LOUD or DISRUPTIVE amplified music will be allowed at any tournament site: Cactus Yards and Freestone Park.

1. All players may bat, regardless if they are in the field, the batting order must remain the same. Free substitution all game at all positions. Players arriving late may be added to bottom of line up and can bat. Co-Ed must maintain guy/girl rotation on batting order. Males cannot bat back to back, but females can. If an odd number of males exist in co-ed which affects guy/girl rotation, the extra male may bat by switching with one selected male in the batting order each time through and cannot change order. No batting "the wheel" where the order changes every time through.

2. A Co-Ed line is painted in the outfield 180ft from home plate-no outfielders can play in front of this line. A walk to a male batter in co-ed results in a two-base award. With less than 2 outs, females who follow must bat. With 2 outs, females can elect to bat or walk. No five-man infield will be allowed in co-ed a female must be at either pitcher or catcher, plus 2 females in infield and 2 females in outfield. Uniforms are not required for Gilbert Days participation. No metal cleats.

F) The Gilbert Days Softball Tournament will allow bats legal for both ASA and/or USSSA play. ULTRA II'S OR ANY SENIOR SOFTBALL BATS ARE NOT ALLOWED, SUCH AS THE LAUNCH. Safety gear is recommended but not required for pitchers.

Any player or team suspected of utilizing an illegal or altered bat may be ejected from the tournament. If performance of any bat is an issue during a game, teams will be required to remove bat for the duration of the game/tournament at the discretion of the tournament director(s), on-site Supervisors, Umpires, or Umpires-in-Charge.

G) All batters will begin with a 1 and 1 count (one to waste) so we can remain on schedule. Run rule: 20 after 3 complete innings, 12 after 5 innings. Pitching up to 6 feet behind pitching rubber will be allowed. Courtesy runners will be allowed. One male and one female courtesy runner will be allowed per inning, must be last out or non-player only. No courtesy runners in extra innings.

H) Any game tied after regulation will go for an additional inning(s). Last batter on second, 2 outs, and no courtesy runners are allowed in extra innings to break the tie.

I) Rainout line is (480) 503-6201. If inclement weather exists call line for tournament updates.
