

The Gilbert Advocacy Center will...

be a place of hope for our community in an environment that fosters resilience and healing by providing holistic services as victims of crime recover from trauma and navigate the justice process. We will achieve this by upholding these communal values:

S

SUPPORT victims of crime by providing comprehensive investigatory and support services as they navigate the criminal justice system

E

ENCOURAGE resilience through holistic services that promote healing

R

RECOGNIZE that each victim's journey is unique

V

VALIDATE the feelings and perspectives of those who visit our facility by demonstrating compassion and empathy for all

E

EMPOWER victims
